This volunteer-based free program will help you learn to speak a First Nations language such as Cree, Dene, Saulteaux and Nakota/Lakota/Dakota. Language Circles are a gathering of both “language givers” and “language learners” where language givers share their knowledge with language learners, focusing on the development of oral knowledge. Free online language lessons are available at www.allanadam.com. For more information, contact Natalie Owl at 545-5990 or natalieowl@yahoo.ca. Drop-in program, refreshments provided. Everyone is welcome.
